Dear Josette,

TEESHIRTS TO CAPE TOWN CHILD WELFARE

Just a quick note to say that the tee shirts were delivered by a wonderful group of 12 people on 01 July 2008. We all had a lengthy chat and I think that they left here much more informed about the work of Cape Town Child Welfare. I certainly learnt a lot from them and the issues which they are faced with in America.

Thank you so very much for organising the delivery and creation of these tee-shirts for us. They are really beautiful. We will be distributing them to our children over our mid-year winter holidays, and I will send you some images both for your records and to share with the wonderful young people who put so much time, love and effort into creating them.

Looking forward to many future collaborations.

With warmest regards from a cold Cape Town.
